## SUMMARY

A front-end developer skilled in React.js, JavaScript, React Router and Tailwind CSS. Experienced with component-based architecture, state management, and API integration. Familiar with Agile and Scrum methodologies. Eager to apply my skills and grow as part of a forward-thinking team.

## EDUCATION

- **Bachelor of Engineering EEE | Cumulative GPA: 8.81** **2020 – 2024**  
AAA College of Engineering and Technology
- **12<sup>th</sup> Grade | Percentage: 66.5** **2020**  
SHNV Matriculation Higher Secondary School
- **10<sup>th</sup> Grade | Percentage: 90%** **2018**  
SHNV Matriculation Higher Secondary School

## TECHNICAL SKILLS

**Web Development:** HTML, CSS, JavaScript

**Libraries/Frameworks:** React.js, Tailwind CSS, React Router, Redux, Jest

**Version Control System:** Git, GitHub

## PROJECTS

**Amazon E-Commerce Clone | Technologies: JavaScript, CSS, HTML, Git**

- Created a responsive e-commerce platform in JavaScript with dynamic shopping cart, product listing, checkout and tracking pages simulation.
- Implemented a shopping cart supporting the addition, updating, and removal of items, managing up to 40 items in state and 100% responsiveness for all devices ratios.

**NIKE Clone | Technologies: React JS, React Hooks, Git**

- Designed and implemented a responsive landing page inspired by Nike's design standards, utilizing React.js and Tailwind CSS to create a modern and user-friendly interface.
- Incorporated state management to enhance interactivity and ensure a seamless user experience.

**Expense Tracker | Technologies: React JS, Context API, Tailwind CSS, Git**

- Developed an Expense Tracker using Context API and useReducer for efficient state management.
- Styled the interface with Tailwind CSS to create a responsive web design.

## ACHIEVEMENTS

- Secured **1<sup>st</sup> Rank** in Semester Examinations of the Anna University (2022-2023)

## CERTIFICATIONS

- **React JS Certification** – Meta
- **Responsive Web Design** – Freecodecamp
- **Agile Development & Scrum** – IBM
- **TCS NQT IT** – Tata Consultancy Services
